## “Oh Lord, how shall I meet you ...”

Pastor David

Writing this column comes amidst preparations for this year's National Youth Gathering in Houston. By the time you read this, the Gathering will be wrapping up, and our contingent will be headed home to Akron. If this event goes the way these events usually go, our youth (and their adult leaders) will be exhausted. But they will also be bubbling over with that precious combination of joy and laughter and purpose which those events produce. How great it will be to hear their stories and see their pictures. And thanks be to God, not only for this marvelous opportunity and a lot of fun, but mostly for the seed of

transformational faith that will have been sown in each one of them.

But, of course, we will be back home, and things will probably be different. We don't normally worship 35,000 each Sunday...in a huge dome...with music from Tenth Avenue North. The usual preacher in this place is not tattooed; he's not (let's just be honest) very hip at all. The folks around them will not know Ryan Brown from the color brown, and probably won't hold up their phones or other mobile devices while singing "This Little Light of Mine." It just wouldn't occur to them.

So the home to which our young people return can't and won't replicate the experience. That's just the truth. But, if we are smart and faithful, we will figure out a way to receive the experience from them...to value what they have learned and done during their days in Houston, to engage their stories and insights, and to allow them to have an effect on the joy and laughter and exhaustion that is ministry right here in downtown Akron.

"O Lord, how shall I meet you; how welcome you aught?" For some reason, that Advent hymn (not a part of the Gathering's songbook, by the way) comes to mind. And why not? In our young people, do we not see Christ at work? And, having been shaped by the sharing of their memories and stories, how does Christ come to us in them? What word of Good News does He have to share via their enthusiasm and their experience? And how will we let that Good News speak to us? How might it re-shape and re-form the local ministries of which these kids and this congregation are such a vital part?

The beginning of the Good News is this: Christ comes to us...sometimes wearing cargo shorts, t-shirts and flip-flops. It is for the good of the whole church that we listen carefully and engage honestly our young peoples' experience of the faith. We need their questions, their energy, and their hopes. Pray that we receive them...that we receive Him in them...faithfully and well.†

**Special Youth Gathering at Holy Trinity**

On Thursday, June 7, 10 members of the Northeast Ohio Lutheran Youth Organization (LYO) Board gathered at Holy Trinity to finalize their preparations for their summer gathering, which happened alongside the annual ELCA Synod Assembly at the John S. Knight Center. On Friday, June 8, additional youth and their adult leaders joined in for a day of fellowship, service at the Haven of Rest, and a lock-in at Holy Trinity. Bishop Allende hosted a Q&A session with the youth in the youth room Friday evening, and stayed for devotions, which was interactive prayer stations in the Fellowship Hall. On Saturday, after sharing breakfast and cleaning up, they headed back to the John S. Knight Center, where they led the closing Synod Assembly worship.

This is the second year they have returned, and they love staying at the church and are very thankful for Holy Trinity’s hospitality. They also made a generous donation toward custodial costs. †

## Chatham Baroque visits Robinson CLC and LINKS Children

On Monday, May 21, Chatham Baroque members continued their music-making in the Akron area with visits to two classes at Robinson CLC and later in the day with LINKS students. The young people were engaged by the trio's beautiful sounds and were thrilled to collaborate with them in making music together.

Our Arts @ Holy Trinity series will include more outreach opportunities with students and other community members in our upcoming seasons. Watch for details on the parish website and in other print and social media. †

## Students Learn about Different Cultures

On Friday May 18, Anna Scheck visited Whipple Heights Elementary School with Perry High School's Students Learn International. This club focuses on international justice and education. Each year, the group travels to elementary schools in the district to host a cultural day, an opportunity to expose young students to the world's many cultures, and to emphasize the blessings that they have through their access to education. Money was raised by students for increasing education in third world countries. A few regions are chosen to be represented, and elements of culture to correspond with each region. This year, the Caribbean emphasized physical features, Europe showcased dance, Latin America displayed worry dolls, Asia shared spices and clothing, and Africa celebrated music.

Anna Scheck led Africa's station, and the instruments used were borrowed from Holy Trinity. The children's faces lit up when they were exposed to new instruments, and understood how they made the sounds that they do. One favorite was the large djembe drum, which is pictured at right (a gift to Holy Trinity from Jack & Vivian Harig). Almost every kid was excited to play the instruments, and to talk about how they were made. All of the high schoolers loved to connect with the children. The ability to use Holy Trinity's instruments at cultural day was extremely enriching to the day's events. They were also used on May 11 at Genoa Elementary School. †

## Holy Trinity's Pastors 1868-2018

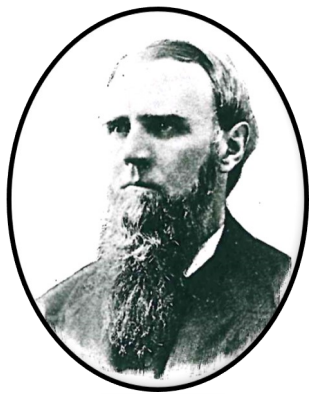

In his sermon on Sunday, May 31, 1896, Rev. C.E. Keller commented, "The church has had but four ex pastors...their memory enshrined in your hearts, and you honor yourselves when you keep their memory green ... the labor of these pastors...would have been without fruit-age had they not been loyally supported by the membership, and all of it watered by the dews of divine grace."

## PERSONAL CARE KITS

**SOME IMPORTANT GUIDELINES TO REMEMBER**

- Be sure to shop for light- or medium-weight towels, which are easier for Kit recipients to hand wash and air dry, take up less storage space and are considerably less expensive than the fluffier towels we may prefer to use.
- Bath towels vary in size. The 52" X 27" size listed in the guidelines is the maximum size. 20" x 40" is a good guideline for a minimum size.
- Please give new items only.
- Please do not donate items with any religious symbols, messages or your group's name.
- Please do not donate any items decorated with a U.S. flag, patriotic or military symbols, or references to the armed forces, including camouflage.
- Do not add other items or leave out any of the items listed.
- All items should be new and in good condition.
- Do not enclose the Kit or any of its contents in plastic bags.

**INCLUDE THE FOLLOWING IN EACH PERSONAL CARE KIT**

- ONE** light-weight bath-size towel (between 20" x 40" and 52" x 27"), dark color recommended
- TWO** or three bath-size bars of soap equaling 8 to 9 oz., any brand, in original wrapping
- ONE** adult-size toothbrush in it's original packaging\*
- ONE** sturdy comb, remove packaging
- ONE** metal nail clippers (attached file optional), remove packaging

\* Toothbrush multi-packs may be used by sealing an individual toothbrush in a business-size envelope; no plastic bags or wrap

**HOW TO PACK YOUR PROJECT PROMISE KITS**

- Fold the towel in half. Place the rest of the items in the towel, fold and roll so nothing falls out, and secure with yarn, ribbon, string or rubber bands.
- Pack completed Kits, like items together, in boxes. Label contents in LARGE, BLOCK LETTERS on the outside of the boxes.
- Use strong cartons secured with packing tape, not to exceed 40 pounds.
- Do not use plastic or paper bags to pack donations.
- Include the name and address of your group or congregation on each box and label the contents

**These will be assembled on  
Rally Day in September.**

# Family Promise<sup>®</sup> of Summit County

Our sixty-fifth week of Family Promise hosting began Sunday, May 6<sup>th</sup> with four families consisting of five adults and six children, ages five months to 16 years old. Since schools were on opposite ends of the city, we had busy mornings leaving the church at 7:15 a.m. to get everyone to their schools before 8 a.m. Everyone got along together and we had an enjoyable week of hosting!

Helping move the beds upstairs and setting up the guest rooms were **Bruce Mansour** and **Vince Simmons**. Our van drivers through the week were **Dan Detwiler**, **Dennis Ingram**, and **Sandy Deluca**. Cooking and serving our guests a delicious dinner every evening were **Doris and Don Santangelo**; **Debbie Schramm**; **Sue and Dan Detwiler**; **Sandy and John Hamilton**; **Linda Vowles** and her daughter **Cathy Wolverton** and her daughter **Emily**; **Joan Kull**; and **Joanne and Duane Aller**. Thanks goes to our evening hosts **Velma Pomrenke**; **Sylvia and Bob Leddon**; **Ruth and Marshall Thomas**; and **Bob Nagle**. Overnight hosts were **Karen and Pr. Dave Nevergall** and **Elizabeth and Ernie Liska**; and **Peter Calvin**. At the end of the week the portable beds were packed and delivered to the next host church by **Dennis Dick** and **Mike Ameling**. Laundering the sheets was **Laura Scheck**, and grocery shopping was **Karen Nevergall**. Thanks also to our sextons for keeping the bathrooms, kitchenette and eating area clean and in order.

On May 17<sup>th</sup> an open house celebration was held to kick-off the renovation of Glendora House, a 1930s-

vintage apartment building on Copley Road next to Buchtel CLC. This three-level nine-unit apartment building will be operated jointly by Family Promise and the Summit County Battered Women's Shelter. The building is solid, with a laundry room and a community room. It has a fenced-in playground, picnic area, and parking lot. Family Promise will use Glendora House to

shelter three larger families while four families stay at the (12) host churches. All guests will still receive all of the regular Family Promise services. This additional housing facility will help reduce homelessness in our community and will be an opportunity for Trinity to continue to help families in need. Family Promise and the Women's Shelter received a \$250,000 renovation grant from the State of Ohio Capital Grant program. Another \$100,000 was

donated for the refurbishment project from the GAR Foundation, the Summit County Land Bank, the Ronald McDonald House Foundation, the Venarge Family Foundation, the Berlin Foundation and Care Source. Buchtel CLC's vocational masonry program will assist with the renovations. +

## Next Family Promise Week at Holy Trinity Sunday, July 22—Sunday, July 29

Consider helping families in need by being a grocery shopper, evening host, cook, launderer, or van driver, please sign up on our bulletin board in the office hallway. Please see Gregg Loesch with any questions.

*Diapers and blankets donated by the youth.*

## NEOS Assembly held in June

The assembly opened with worship and focused on “Ambassador for Christ” 2 Corinthians 5:20. Worship was a strong focus led by clergy and youth. New this year was Bible study to focus on the theme and studied 2 Corinthians 5:14-21.

The speakers spoke on HUNGER. Hunger not just for physical food but for literacy, companionship, access to healthcare, justice and PEACE, the freedom from strife war. Mikka MaCracken was a powerful speaker. How do we as Ambassadors for Cheris help bring this about at Holy Trinity, NEOS, national and international levels. Programs are available through NEOS and national ELCA to educate and help us be Ambassadors.

There were several seminars offered both days to make everyone more aware of the Church at work in the World. They included:

- World Hunger—see information above
- Draft Statement of Women and Justice—presented information on the statement and invited comment
- Authentic Diversity//Cross—honest conversation on race relations and racism in society; this group has met once at Holy Trinity.
- LOMO—information on available programs
- Youth-led Service Projects (Saturday only) - blankets for Holy Trinity and diaper packets for Haven of Rest and Holy Trinity.

As usual, business was done, elections held, reports heard, budget approved, suggested compensation packages approved.

Recognition of significant anniversaries was done at a first-time dinner hosted by the Bishop on the first evening of the assembly. Announcement was made on the second day to the whole assembly.

Respectfully submitted by Frederica Cohen and Ron Nockengost, Holy Trinity delegates. †

## Gardeners Needed

*Put your green thumb to work!*

Summer is officially here! With summer comes the upkeep of the church’s flower beds. Thank you to Susan Detwiler for working on the beds around the church and planting flowers underneath the cross near the main entrance. More needs to be done ... planting and mulching and continued weeding and watering.

If you love to garden (or maybe just a little), please consider helping to maintain the flower beds around the church. We are looking for individuals to sign-up for a week at a time to help with any additional planting, mulching, weeding and watering. If the planting and mulching are done, then help is needed with just the weeding and watering.

There is a sign-up sheet at the Welcome Center near the office entrance. Thanks for your consideration.

Also, just FYI, a neighborhood man named Howard Carter is gardening the box near the paper recycling bin, as well as caring for the flagpole area at Grace Park. He is someone Marla has gotten to know well, and is a safe and trustworthy person of faith, even if he is his own brand of uniqueness. He may be borrowing a few tools from Bruce, or using the hose to fill up buckets to carry to Grace Park in the mornings. So if you see him, you might want to say hello and introduce yourself. He has lived in the Grace Park area his whole life and likes to do projects that benefit the neighborhood. †

### CHILDREN'S SERMON DRAWS A BIG CROWD ...

Round and round they go ... During the children's sermon on Trinity Sunday, May 27, Pastor David invited people to the front to 'dance with God.' It was a demonstration of the Circle Dance of Father, Son and Holy Spirit and everyone being invited. So, wherever you are, know that you are always invited to the 'Circle Dance.' †

Solid neighborhoods are whole, healthy, and engaged communities where all people are empowered to pursue their hopes, dreams, aspirations ... where lives are transformed by faith and trust, and personal fulfillment is experience through abundant caring and grace. Holy Trinity is committed to working with our strategic partners to help Akron's neighborhoods experience just such transformation. CD4AP has done this work in Columbus. Come and learn how we can work together to accomplish these same goals in Akron. †

## A Look at the Numbers

It is a privilege to worship, to serve, and to give of ourselves as we share God's Good News with our neighbors and friends. We do that as individuals by the choices we make in everyday life. And we do that together by our work as a congregation. That's what good stewardship is all about.

For that reason, we monitor statistics on attendance and giving to the church. They offer a glimpse into the health of our congregation. During May 2018, average weekly worship attendance at Holy Trinity was 149. That's down from an average of 159 per week during May 2017. Worship is fundamental to the strength of the community and mission we share. It is where God blesses us in the sharing of the Word and Holy Communion. Please remember, especially during these summer months, to make it a priority in your life.

Our undesignated giving in support of Holy Trinity's ministry through May was \$172,438. That's about 9% behind our budget target of \$188,943 for that same period. We are making progress in closing the gap between our actual and our budgeted income for the year. Thank you for your attention to your own giving habits. Our ministries are fueled by the Spirit's work among us and by your faithful and generous response to God's gifts to you.

Something to consider: More and more folks are moving to electronic giving means, and we have the ability to accommodate that, too. Many find that it is an especially convenient way to manage financial stewardship. Contact Rick Kimble, our financial secretary, for more information about available options and/or to set it up. Please remember: Your tithes and other gifts not only pay the day to day bills here. They extend God's love and grace through our mission work in this area and also well beyond through our partnership with the Northeastern Ohio Synod and the ELCA. There is a ripple effect that quite truly reaches around the world.

Your faithful participation by means of worship, work and support bear witness to the significance of Christ's place in your life. It says to others that what you believe is important enough to affect the way you live. **Thank you** for being good stewards of the gifts with which God has equipped you. And remember to join us...this and every week...as the work of Christ's Church goes on. †

# Communion Bread Recipe

## Ingredients:

- 1½ cups whole wheat flour
- ½ cup regular white or bread flour
- ¾ teaspoon baking soda
- 3 tablespoons butter (unsalted is best; may substitute margarine)
- ¾ cup warm water
- 3 tablespoons honey
- ¾ teaspoon salt
- Combine the water and honey. Stir this into the flour/butter mixture, and combine until you have a sticky dough.
- Turn out onto a board/counter, adding flour until you can knead it. Knead until smooth.
- Divide the flour into four equal parts. Roll or press each part into a 6" flat circle.
- Lightly score a cross into the top of each circle. Brush with vegetable oil. Place onto a lightly-greased baking sheet.
- Bake at 350 for no more than 12 minutes. (Over baking makes the bread crumbly.)

## Directions:

- Combine the first four ingredients well. Cut in the butter, and work in thoroughly.
- Remove and allow to cool completely.
- When cool it can be bagged for use later in the week or bagged and frozen for use up to three weeks later.

## Welcome New Members
